Equipment

Equipment / Browse Equipment

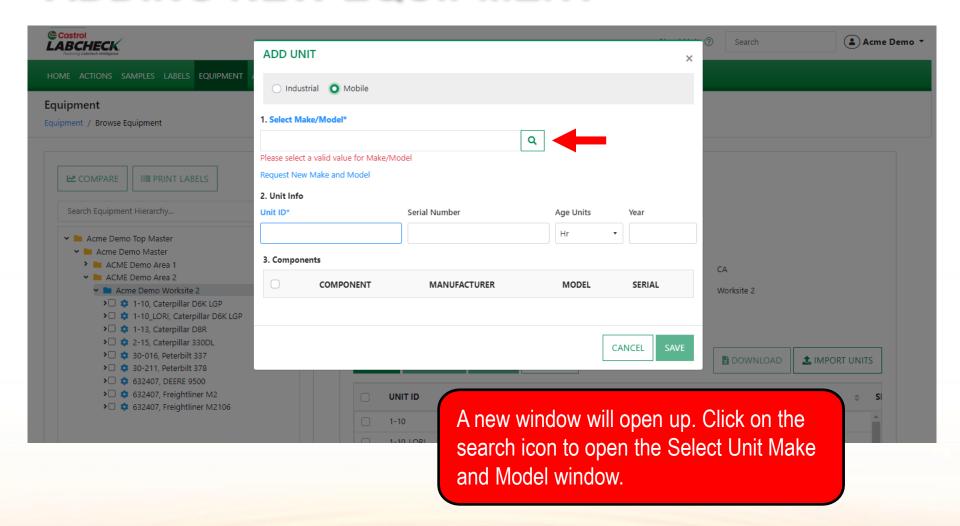

To add new equipment, click on the **EQUIPMENT** tab and then the BROWSE EQUIPMENT tile. On the left side open up the hierarchy and select the **worksite** you want to add equipment to. On the right, click the **+ADD** button.

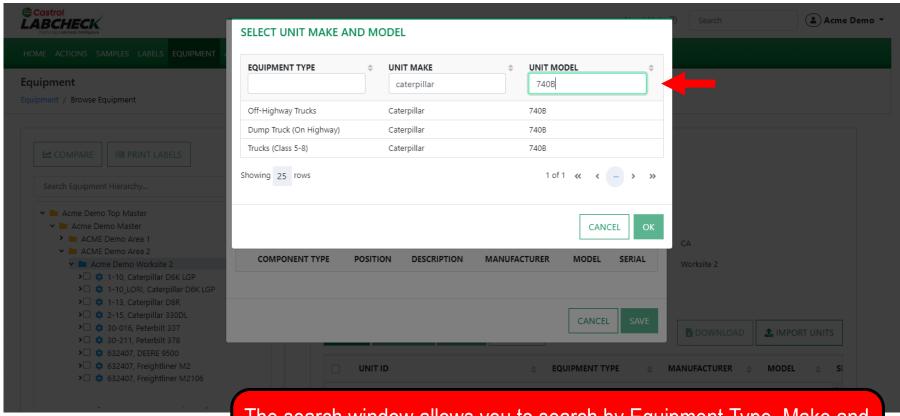

ADDING NEW EQUIPMENT

SELECT MAKE AND MODEL

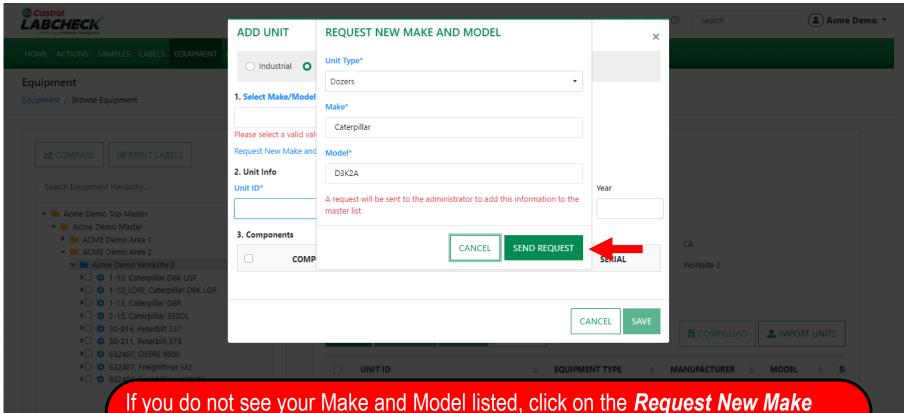

The search window allows you to search by Equipment Type, Make and Model. Once you have found the Make and Model you are looking for, click on the row and then click the **OK** button.

REQUEST A NEW MAKE & MODEL

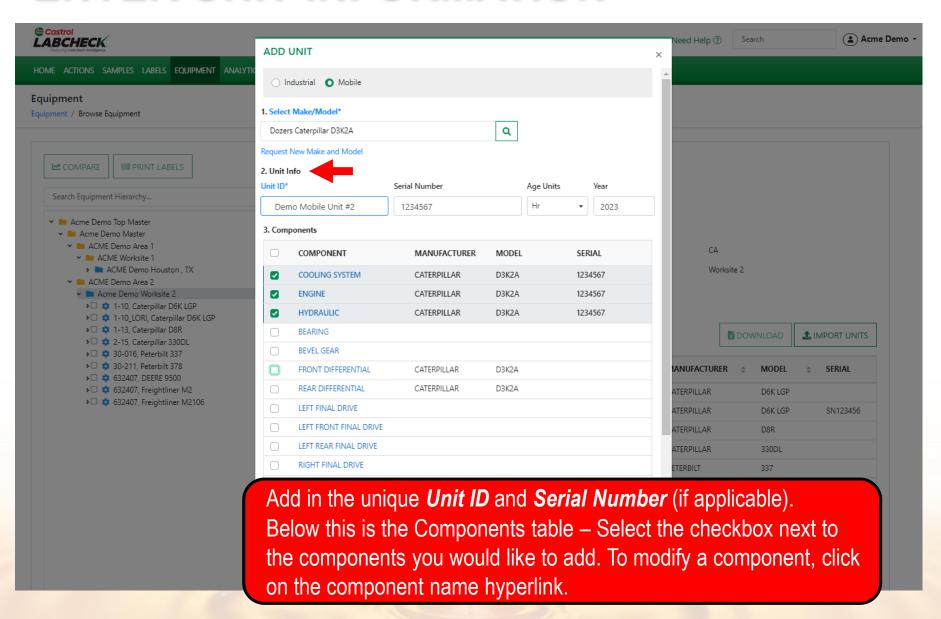

If you do not see your Make and Model listed, click on the **Request New Make** and **Model** link.

Select a Unit Type from the dropdown. Then type in the new make & model and click the **SEND REQUEST** button. This make & model will be available to use immediately. An email will be sent to the Labcheck admin to add it to the database for all users to use in the future.

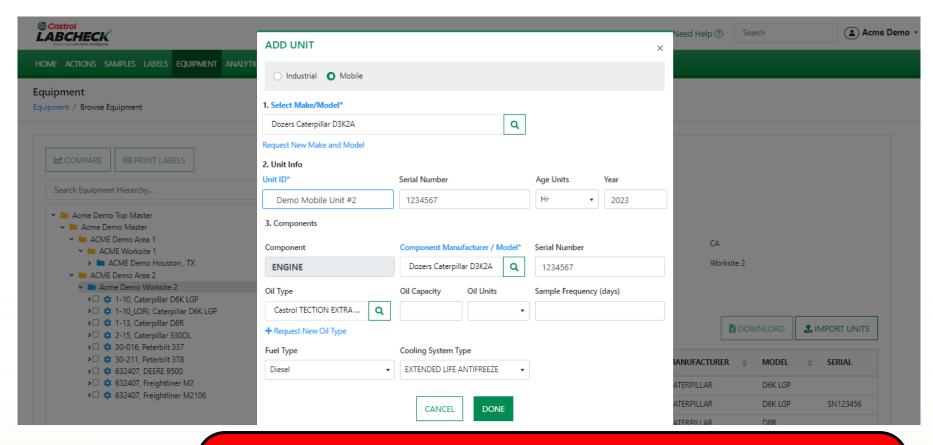

ENTER UNIT INFORMATION

MODIFYING A COMPONENT

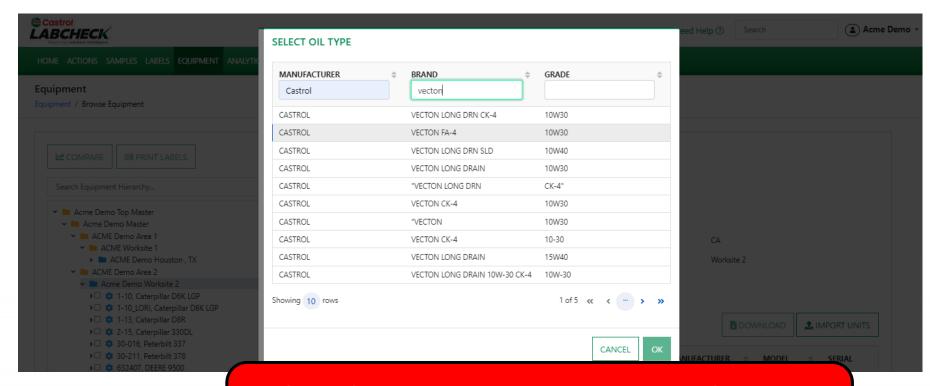

When modifying a component, all fields with an asterisk (*) must be filled in. The system will auto populate the make & model fields from the unit. Make your selections from the drop down list. Once complete, click the **DONE** button. If you do not see your oil type or make & model populate, click on the search button to make a selection.

LOOKING UP OIL TYPES

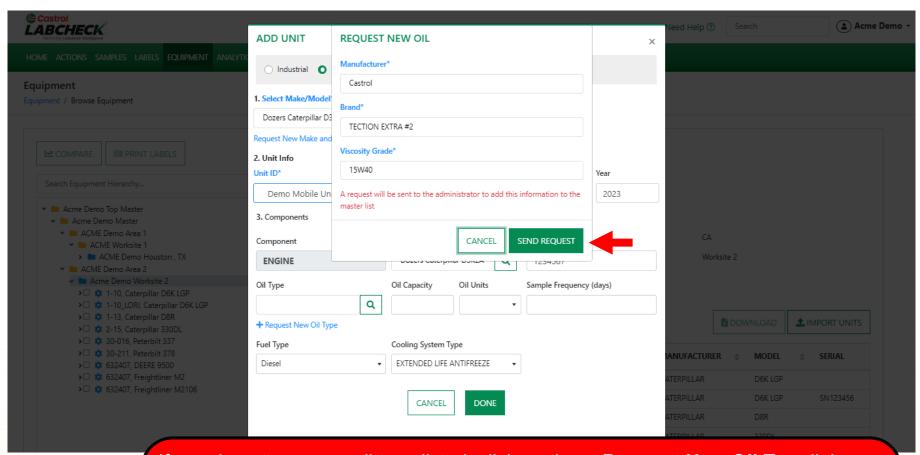

The **Select Oil Type** window allows you to search by Oil Manufacturer, Brand and Viscosity Grade. Once you have found the Oil Type you are looking for, select the row and click the **OK** button.

REQUEST A NEW OIL TYPE

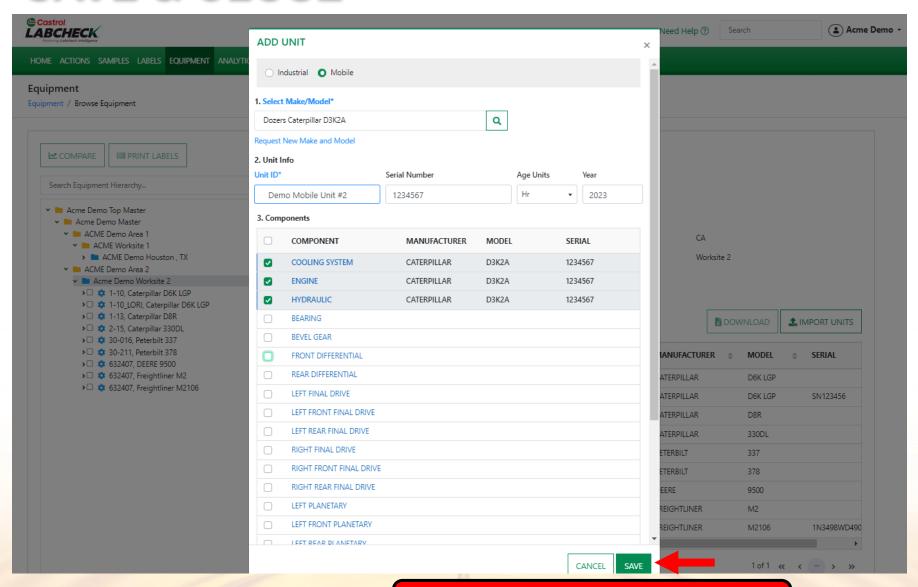

If you do not see your oil type listed, click on the + *Request New Oil Type* link. To request a new oil type you must fill in all fields: Manufacturer, Brand and Viscosity Grade. Click the *SEND REQUEST* button. This oil type will be available immediately. An email will be sent to the Labcheck admin to add this oil type to the database for all users to use in the future.

SAVE & CLOSE

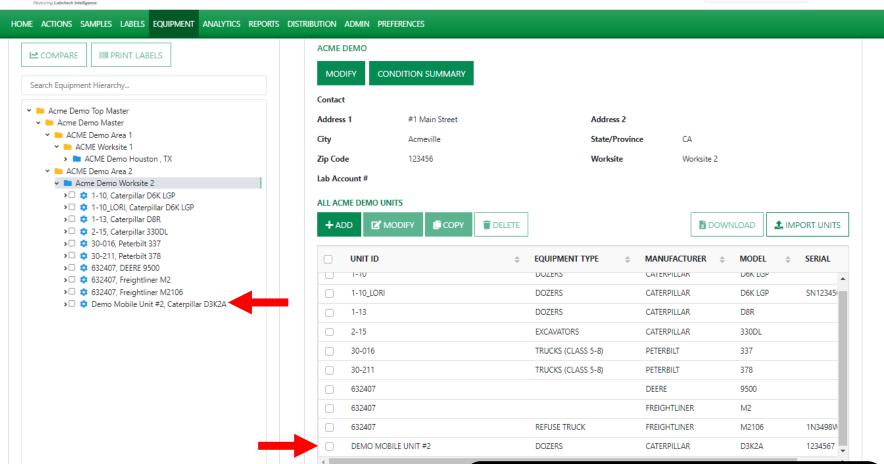

Once complete, click on the **SAVE** button.

SAVE & CLOSE

▲ Acme Demo →

The new unit will now appear in the Equipment Hierarchy on the left and in the list of units on the right.
